Summary of reasons for decision:

The publication is a video clip from an anime series. It depicts characters in a sexualised scenario and there is some breast nudity. There is no indication that the characters are young persons. An older teenage female is depicted attempting to seduce a teenage male in order to keep him from leaving her. Although sexual in nature and intended for more mature viewers, the unrestricted availability of the publication is unlikely to be injurious to the public good. Therefore the video file is classified

unrestricted but recommended as more suitable for mature audiences. This classification does not impede the right to freedom of expression in any way.
